Fractured Modernity: Making a Middle Class in Colonial North India

Modernity Making of a Middle Class in Colonial North India

Anticipating the rise of a middle class in colonial North India, this book describes the rise of a middle class in colonial India using Karl Marx's Theory of Revolution in the Context of the State and Bureaucracy. It discusses the rise of a middle class in colonial North India and provides a glimpse into the social and political dynamics of the time. The book is a contribution to the study of social change in colonial India and provides insights into the making of modernity.
